Work Permits for Minors

The Green Lake School office will no longer be handling work permits for minors. Everything can now be processed and paid for online with the DWD (Department of Workforce Development) website. Please read the following article for more information: [DWD Announces Work Permits for Minors Now Online](#)

Directions for obtaining a work permit:

Parents and guardians may obtain a work permit by following the instructions below. Note that parents and guardians are required to pay the work permit application fee at the time of purchase. After the payment has processed, the parent or guardian will receive an email confirmation and the permit will be printed and mailed directly to the employer.
